Thanks to his relationship with the ancient Druid Atticus Oâ€™Sullivan, Oberon the Irish wolfhound knows trouble when he smells itâ€™ and furthermore, he knows he can handle it.

When he discovers that a prizewinning poodle has been abducted in Eugene, Oregon, he learns that itâ€™s part of a rash of hound abductions all over the Pacific Northwest. Since the police arenâ€™t too worried about dogs they assume have run away, Oberon knows itâ€™s up to him to track down those hounds and reunite them with their humans. For justice! And gravy!

Engaging the services of his faithful Druid, Oberon must travel throughout Oregon and Washington to question a man with a huge salami, thwart the plans of diabolical squirrels, and avoid, at all costs, a fight with a great big bear.

But if heâ€™s going to solve the case of the Purloined Poodle, Oberon will have to recruit the help of a Boston terrier named Starbuck, survive the vegetables in a hipster pot pie, and firmly refuse to be distracted by fire hydrants and rabbits hiding in the rose bushes.

At the end of the day, will it be a sad bowl of dry kibble for the worldâ€™s finest hound detective, or will everything be coming up sirloins?

The Purloined Poodle is another exciting novella entry in Kevin Hearneâ€™s New York Times best-selling Iron Druid series.
